

Ethiopian Intellectual Property Authority

The Ethiopian Intellectual Property Authority (EIPA) has developed IP Marketplace platform to facilitate the commercialization of granted inventions by making available the detailed information about the inventions and contact details of owners to the general public on the web.

To have your granted Patent, Utility Model, Industrial Design or Patent of Introduction listing on <https://ip.eipa.gov.et/> please email this consent form to IPMarketplace@eipa.gov.et.

By submitting this form, I certify that I agree to **the terms and conditions of use** on the platform. I also consent to making available my contact information to the public either on the platform or for person/s inquiring about my registered invention.
